

Manufacturer of Cold Aisle Wall-Mounted Fiber Strippers

Overview

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc., acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. 3SAE Technologies designs and manufactures a wide range of high performance fiber optic stripping tools for optical fiber coating removal, providing the most advanced line of high strength thermal mechanical strippers, non-contact high strength fiber optic strippers and the industry's only diameter. TRAX hot aisle / cold aisle data center curtains are the industry leading low cost containment solutions. Increase cooling efficiency while measurably lowering energy costs with data center containment solutions by TRAX. Why choose. Cool Shield™ containment offers state-of-the-art hot and cold aisle containment solutions designed to maximize data center efficiency while significantly reducing power consumption. Warranty: This Vertiv™ product is warranted to be free of defects in material and workmanship for a period of (3) Year from Assembly or (42) months from Shipment.
