

Pakistan Building Cable Tray Specifications

Overview

Our range includes ladder-type cable trays made from high-quality steel and available in various sizes to suit different load requirements. We also offer perforated cable trays with covers, widely used for electrical and computer wiring due to their ventilation and easy access. IES manufactures and supplies a wide range of cable trays and cable management systems designed for safe and efficient cable routing in industrial and commercial installations. We design and supply durable cable management solutions that ensure safety, organization, and long term performance. In Pakistan, the industry primarily relies on Galvanized Iron (GI) and Mild Steel (MS) trays. As a leading Cable tray Manufacturer, we provide high-quality and durable solutions designed for long-lasting. For Cable Trays made from Steel, customers have a choice of material finish to select from; they come in Painted, Powder Coated, Pre-galvanized and Hot Dip Galvanized varieties. Perforated Cable Tray Manufacturer in Pakistan, Ladder cable tray in bulk quantity manufacturing.
