

Use Scenarios for 16-Port Terminal Box

Overview

The YOURx-Terminal improves the customer application and craft-experience by providing an access terminal capable of 16 drops, two feeder ports for mid-span and daisy-chaining scenarios, along with a fully protected and restorable pathway from the YOURx-Terminal to the YOURx- TAP. The YOURx-Terminal improves the customer application and craft-experience by providing an access terminal capable of 16 drops, two feeder ports for mid-span and daisy-chaining scenarios, along with a fully protected and restorable pathway from the YOURx-Terminal to the YOURx- TAP. The YOURx-Terminal improves the customer application and craft-experience by providing an access terminal capable of 16 drops, two feeder ports for mid-span and daisy-chaining scenarios, along with a fully protected and restorable pathway from the YOURx-Terminal to the YOURx- TAP using the. The metal 16 ports fiber terminal box serves as a termination point that used to joint optical fiber cable and pigtail, providing reliable protection against fiber damage. It is a cost-efficient metal enclosure for low-density fiber cabling and mini-network terminal connection, which integrates. Superior Environmental Resistance: Rated IP68 for water and dust protection, made with flame-retardant PC+ABS and 304 stainless steel. High Port Capacity: Supports up to 16 ports, making it ideal for high-density fiber networks. Wide Compatibility: Compatible with various fiber optic waterproof. It consists of 2/4x optical cable inlet and 16x outlet PORTS, some Splice trays, a tissue system with optical fiber splicing tray and 8pcs bayonet type enhanced pre-connectorized waterproof Mini SC adapters, which can be accessed and connected from the outside of the box. The box is used as a. Can accommodate 1x4, 1x8, 1x16 splitter as well as 2x4, 2x8, 2x16 splitter. Up to 16 FTTH drops (holds up to 16 fiber couplers, sold separately). Suitable for wall-mounting or pole mounting application. The FATB is wall mountable, and easy to install and.
