

What brands of micro-module computer rooms are available

Overview

Which companies are leading the field for modular data centres?

Discover the top 10 companies driving the future of modular data centres with innovative, scalable and sustainable infrastructure solutions Which companies are leading the field for modular data centres?

Discover the top 10 companies driving the future of modular data centres with innovative, scalable and sustainable infrastructure solutions A Premium, Powerful, and Scalable Foundation for Campus-Level Computing Designed for campus-level and large-scale data centers, the AC8000 is available in both Premium and Standard editions. Schneider Electric Prefabricated Modular Pod Data Center is engineered for speed, scalability, and flexibility. It supports up to 40+ high-density. As we've been building these solutions for decades, we've set the standard for rugged, reliable, long-lasting MDCs. We specialize in tailoring to specific use case needs ranging from AI/ML/HPC to SCIF/ FISMA/FIPS compliance for FED. For small room IT deployments up to 10 racks and 100kW or less, SmartMod offers a simple way to install capacity in a fraction of the time a typical IT build might take. They contain all of the compute, storage, networking, as well as the infrastructure to contain and support the workload.
